He sought aid from physicians at home and in Europe, but in vair, his case was pronounced hopeless by thorsands, and it was he accident that he sue-coded in curing himself. Since he has been practicing mosticine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown to the certificates which have seen by its success, as shown ly the certificates which have seen I subjour the certifier is of Prof. M. I hereby certify that I have been acquainted with Dr. J.

lower than I have ever seen any one that afterwards recovered, with what I supposed to be Dyspensia and Liver affection,
and after trying the prescriptions of many Physicians in this

Il consvirus, January 12, 1852.

Dr. Branson:—I take the liberty and fell it to be my duly to recommend to all persons affering from disease of the stomach and bowels, your Alterative Compound, as a very seperior medicine. My son, aged in years, had been under modical treatment about five years for dyspessia and diar-rhea - when having almost despaired of his recovery, I con-cluded to try your Alterative, two bothes of which, I believe, entirely sured him. MICAJAH CAYCE.

HENTSVILLE, Oct. 17, 1852 Dr. Berrson - Some time has chaped since I gave a cutificate that my wife had been greatly benefited by your Alterative Compound. I now take pleasure in saving to the public, that my wife had for three or four years been subject to the worst kind of spells of cramp in the stemach from dyspepsia. I had tried of several whom I thought to be the best physicians in the place and a great many differen medicines, with momentary relief. Being persuaded to try your alterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientiously recommend it to all persons suffering from diseases, of the liver and dyspepsia. N. B. ROBERTSON.

HUNTSVILLE, Sept. 29, 1851. Dr. Bernson-Having seen the publication of your Alterative Compound, I think it my duty te say to the public, that I had been for years subject to spells of Cramp Colic, in its worst form; that I had tried almost every thing that is given by physicians, and never found any thing that would certainly relieve me, until I tried the above medicine, which has relieved the second control of the color of the second control of the relieved me in every attack in less than an hour.
